

# Remote Delivery Course Planner

Course Title and Code: \_\_\_\_\_

Use this resource to plan out your course at a high-level, week-by-week, filling out the first three columns; then use the [Match your Pedagogy to Tools](#) and [My Teaching Scenario](#) resources to map out educational tools that match your instructional needs and student learning goals. If you'd like some help, meet with one of our Instructional Technology Specialists to discuss some of the finer details by completing this Remote Teaching with Educational Technology [Consultation Request Form](#).

| Course Plan     | 1. Learning Outcomes | 2. Learning Activities | 3. Assessment Activities | Ed-Tech +<br>Digital Resources |
|-----------------|----------------------|------------------------|--------------------------|--------------------------------|
| Week / Module 1 |                      |                        |                          |                                |
| Week/Module 2   |                      |                        |                          |                                |
| Week/Module 3   |                      |                        |                          |                                |
| Week/Module 4   |                      |                        |                          |                                |
| Week/Module 5   |                      |                        |                          |                                |
| Week/Module 6   |                      |                        |                          |                                |
