INTEGRATED ADMISSION PATHWAY

This program is very good. We are improving our English and learning about the university environment. The university of Guelph has a lot of stuff to do for fun. The teachers help the students a lot and they always encourage us to become better students.

Angel Vinuela Rivera, Mexico
Integrated Admission Pathway student
INTEGRATED ADMISSION PATHWAY

BEGIN YOUR DEGREE WHILE STUDYING ENGLISH
Combine English language courses and selected degree-credit courses for a flexible option for guaranteed admission to a variety of degree programs at the University of Guelph.

HOW IT WORKS
Complete five courses (5 x 0.5 credits) towards your degree in just three semesters. Begin your full-time degree program in your fourth semester.

- SEMESTER 1 (fall): EL Pathway courses* + 1 x 0.5 degree-credit course
- SEMESTER 2 (winter): EL Pathway courses + 2 x 0.5 degree-credit courses
- SEMESTER 3 (summer): EL Pathway courses + 2 x 0.5 degree-credit courses
- SEMESTER 4 (fall): Begin your full-time degree program.

*EL Pathway courses focus on grammar, speaking, listening, reading and writing, and are designed to give you the required language skills for success in your degree program. Fall entry only.

ENGLISH LEARNING HOUSE
- Live on campus in a supported living and learning environment
- Build your network of Canadian friends
- Develop real English skills

ADMISSION REQUIREMENTS
- IELTS 5.5 or TOEFL iBT 56 or equivalent
- Undergraduate admission requirements (except for the English Language Proficiency requirement)

AVAILABLE SUPPORT
Experienced English language instructors and faculty members will guide your learning.
Additionally, conversation tutors, English language buddies, and supported learning groups are available to support your academic success.

DEGREE PROGRAMS
Save time. Finish your English language courses while completing courses towards the following degree programs:
- Bachelor of Science (all majors including those with coop option)
- Bachelor of Arts (all majors including those with coop option)
- Bachelor of Commerce (undeclared)
- Bachelor of Bio-Resource Management (all majors with co-op option)
- Bachelor of Science in Environmental Sciences (all majors with co-op option)
