Application Process-English Language Certificate Program

English Language Certificate Program & Conditional Admission
Pathway: www.ouac.ca
It is easier to submit a Conditional admission student through Ontario University Application Centre (OUAC). Once the U of Guelph International Admissions staff review the student’s application and they do not meet English proficiency requirements, English Language Programs Enrollment Officer is notified and communication with the agent and student begins. The Undergraduate International office will process the student’s application and release a Conditional Admission Offer and the English Language Programs submits an LOA for English. Two letters of offer are produced once the deposit has been received.

English Language Certificate Program student applications:
English Only—Apply Online: www.elpguelph.ca

Online application is ideal. However, it is important to note, if you (the agent) are applying on the student’s behalf, when creating the account before logging in, please make sure to use the student’s email. The creation of the account before the application will be linked and if they do come to study with us, it will be used for all of their online log ins. Alternatively, the student can apply themselves using that link, and write the agency name in ‘Agent’ and the ELP Enrollment Officer will get in contact. esl@uoguelph.ca

Document Submission:
Once online applications have been submitted, required documents can be uploaded online here: https://uoguelph.eu.qualtrics.com/jfe/form/SV_5aTCaCvDdQ4NDgh

The required documents are:
- Photo of the student from the shoulders up (can be taken with a cell phone)
- Most recent academic transcript translated into English
- IELTS/TOEFL score if the student has one

Once we receive a completed application with documents we will assess. If the student is accept- ed, they will need to sign the offer letter and send back the tuition deposit. Once that is received the LOA will be sent. Full payment of invoice must be paid before student starts in the program.

Please let us know if you have any other questions regarding the application process.

Graduate Preparation Diploma Program

At the University of Guelph, our English language programs are for students who are serious about improving their academic English skills, and succeeding at a Canadian university. All of our English language courses are taught by experienced instructors with extensive experience teaching students in Canada and abroad, who will work with you to attain your goals. The UGuelph has a world class reputation for research, and is consistently ranked as one of the top comprehensive research universities in Canada (#2 2021).

The Graduate Preparation Diploma Program (GPP) is for students who want to study in graduate programs at the UGuelph or other Canadian universities. For students with an Advanced level of English, the program has two components, each lasting 14 weeks. The first component consists of the Advanced Level of the English Language Certificate Program (ELCP).

The second component focuses on the specific skills students need to be successful as a graduate student. Successful completion of this program meets the English proficiency requirements for admission to UGuelph’s graduate programs.

Students with a lower level of English will be placed in a lower level of the ELCP in order to complete their English language training. Upon completion of the Advanced Level, they may enter the second component.

Depending on the English proficiency level, students will study according to the following plan:

<table>
<thead>
<tr>
<th>English Proficiency Level</th>
<th>First semester (14 weeks)</th>
<th>Second semester (14 weeks)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Level</td>
<td>ELCP Level 9 and Level 10 (Advanced Level)</td>
<td>GPP</td>
</tr>
<tr>
<td>Lower than Advanced Level</td>
<td>Study in the ELCP. Level placement depends on English proficiency. The ELCP has 10 levels from Beginner to Advanced.</td>
<td>Continue studying in ELCP. Students may complete the Advanced Level and then study in the GPP.</td>
</tr>
</tbody>
</table>

Note: Completion of the GPP does not guarantee admission to the University of Guelph or other degree programs. Admission to graduate programs is determined by the admissions departments of graduate programs. Learn From Canadian Students

Conversation Partners:
As part of the English Language Programs, students will meet with a Conversation Tutor every week to allow them to apply what they have learned in their classes. Undergraduate native English speaking University of Guelph students help each student to practice their English in a structured conversation practice setting.

Buddy Program:
Our Buddy Program allows ELP students to make more informal connections with University of Guelph students. Students can choose to go to movies together, sporting events, have coffee, or anything that interests them.
